

Thank you for supporting Robbinsdale Women's Center through the

Walk and Ride for Life

During the week leading up to the Walk and Ride for Life, follow along with this calendar to get a burst of fundraising inspiration, learn fun facts about RWC's history and ministry, and celebrate the lives God has saved and changed through RWC's ministry!

SUNDAY, July 31

Today's Inspiration:

"Luann" felt tremendous fear about her pregnancy, but said it was difficult for her to consider abortion as she was a Christian. She had many long discussions with her client advocate at RWC about her options. Eventually, "Luann" chose to go with adoption -- RWC's first confirmed adoption choice in several years!

Today's Prayer:

Pray for the effective reach of our online marketing -- that many women will make appointments with RWC first, rather than an abortion clinic.

Today's Goal:

If you haven't done so yet, post to social media about why you're participating in this year's Walk, why it's important to you, and how much you're trying to fundraise!

MONDAY, August 1

Today's Inspiration:

RWC has 20 full- and part-time staff members -- including nurses, client advocates, and admin staff. God has uniquely called and equipped each woman for her role in RWC's life-affirming ministry.

Today's Prayer:

Pray for the protection, endurance, and equipping of each member of RWC's staff. Also pray that God will provide the perfect candidate to fill our open position for a front desk coordinator! *Want to apply or send a candidate our way? Email jallen@rwcmail.org.*

Today's Goal:

Ask friends and family for a gift of \$20, in honor of RWC's 20 compassionate, dedicated, and talented staff members.

TUESDAY, August 2

Today's Inspiration:

"Jamie" was undecided between parenting and abortion, while the baby's dad wanted to parent. However, the dad's mother was encouraging abortion, saying the baby was "just a blob" and a "problem" the couple could handle by terminating. "Jamie's" ultrasound showed a different reality: an active baby in the 2nd trimester. Ultimately, "Jamie" chose life, finding support from family members and from RWC.

Today's Prayer:

Pray that each ultrasound appointment will be impactful, showing the miracle and beauty of life in the womb.

Today's Goal:

Consider giving or asking for a gift covering the cost of services for one life choice at RWC: \$502, or \$42/month for a year.

WEDNESDAY, August 3

Today's Inspiration:

Pictured below is the first group of RWC mentors and mentored moms -- circa 1996. In 2020, our mentoring program shifted to an online, video-based curriculum, and we have more moms and dads enrolled than ever before -- 39 so far this year!

Today's Prayer:

Pray that the moms and dads enrolled in RWC's parenting program will gain confidence in parenting skills and that negative cycles will be broken because of their enrollment.

Today's Goal:

Ask friends and family for a gift of \$39, for the 39 parents currently receiving education and free baby items through RWC's parenting programs!

THURSDAY, August 4

Today's Inspiration:

"Laney" came to RWC as a busy mom, fearful of how another child would impact her financial stability. External circumstances were pressuring her to abort, but she shared she wasn't comfortable with that choice. Her ultrasound revealed a more advanced pregnancy than expected, and because of this, "Laney" felt certain in her choice to give her baby life.

Today's Prayer:

Pray that God will divinely meet the financial, housing, and employment needs of each mom and family receiving services at RWC.

Today's Goal:

Share an update with friends and family on your progress toward your fundraising goal and ask for any final contributions.

FRIDAY, August 5

Today's Inspiration:

RWC has been in ministry for 30 years, seeing over 3,800 life choices during that time. That includes 269 life choices in 2021! Every single service provided at RWC is cost-free to the women and families we serve.

Today's Prayer:

Pray that RWC will continue to seek God's direction as we serve Him in this ministry. Pray that he will continue to send women our way and provide the means for us to address their physical, financial, emotional, and spiritual needs.

Today's Goal:

Consider giving or asking for a gift of \$250+, rejoicing for the 269+ babies whose mothers were supported to choose life in 2021.

SATURDAY, August 6
